v.	)	SENTENCING

Defendant.	)	
	)	

The parties respectfully and jointly request that the sentencing, currently set for March 27, 2018, be moved to April 24, 2018. The reasons for this request are to provide the defense with time to prepare for sentencing. The defense recently received information from the Government regarding the alleged victims of the defendant's hacking activity, which the Government received in February and March 2018 in response to its victim notifications. The defense needs sufficient time to review this material so that it may properly make objections to the draft Presentence Investigation Report and prepare for sentencing. Therefore, the parties respectfully and jointly request that the date for sentencing be moved from March 27, 2018, to April 24, 2018. The defense conferred with Probation Officer Emily P. Libby and Officer Libby is available on April 24, 2018.

IT IS SO STIPULATED.
